AFFIDAVIT OF REBECCA HUME

I, Rebecca Hume, of 9 Forum Lane, Suite 3207, Camana Bay, Grand Cayman, KY1-9006,
Cayman Islands do solemnly and sincerely swear and say as follows:-

1. I am an attorney licensed to practice in the Cayman Islands and a Partner of Messrs. Kobre & Kim (Cayman), attorneys-at-law for the Plaintiff in these proceedings (the “**Proceedings**”). I have advised the Plaintiff in respect of certain Cayman Islands law aspects of his role as Temporary Receiver of Link Motion Inc (“**Link Motion**”). I am duly authorized by the Plaintiff to make this affidavit on his behalf.
2. Unless otherwise expressly stated, the facts and matters to which I depose in this affidavit are within my own knowledge and are true, or have been derived by me in the conduct of this matter from the sources indicated below and are true to the best of my knowledge, information and belief.
3. I swear this affidavit in support of the Plaintiff’s application pursuant to section 21M of the High Court Ordinance (Cap 4) seeking the appointment of receivers over the 1st Defendant’s assets in Hong Kong (the “**Application**”).
4. The Plaintiff has informed me that his objective is to give effect to the order (the “**US Order**”) granting his appointment as Temporary Receiver of Link Motion in the United States by taking control of the bank accounts of Link Motion, which includes bank accounts in Hong Kong, as well as any Hong Kong subsidiaries of Link Motion.
5. The Plaintiff has consulted with me about the possibility of using the powers conferred upon him under the US Order to effect changes in the composition of Link Motion’s board of directors, and to then in turn take control of Link Motion’s Hong Kong bank accounts by the authority held in the capacity as a director of Link Motion.

6. I have informed the Plaintiff that, in my view, the US Order does not grant him authority that would be recognized by a Cayman Islands corporate services provider to effect changes in the Link Motion board of directors.
7. To obtain such authority, the Plaintiff will need to make an application to the courts of the Cayman Islands to be appointed as a receiver under Cayman Islands law, with similar powers to those granted under the US Order.
8. Such an application to the Cayman Islands court will involve some time (7-10 days if the Plaintiff is able to proceed *ex parte*, 4-6 weeks if he proceeds inter partes, assuming no material opposition) and expense to the Plaintiff before any receivership appointment can be made, if the Cayman Islands court is minded to grant such an order.

Sworn at Grand Cayman,
Cayman Islands
